April 27th, 1915

Lieutenant N. R. Wright,

Internment Camp,

Via Cochrane, Ont.

Dear Mr. Wright:

Will you please send any statement from your Commanding Officer that can be taken as a certificate, then it will be dealt with along with your application, which will be considered at the same time as a good many others by the Council? A decision can hardly be reached for two or three weeks, until all the cases are taken up together.

I am,

Yours sincerely,

President.
